BS in Information Communication Technology

University of Kentucky, May 2026

Professional & Research Experience

Research Assistant	Apr 2025 – May 2026
Dr. Judy Goldsmith, University of Kentucky	
• Collaborated within an academic research lab focused on Computational Social Choice and Coalition Formation Games (CFGs). • Conducted weekly literature reviews, tested constraint models, and fully documented research findings. • Managed version control and remote collaboration asynchronously using GitHub repositories and Overleaf work environments.	

Administrative Assistant	May 2024 – Aug 2024
Elizabeth Community Technical College	
• Managed sensitive government documentation, ensuring strict adherence to federal guidelines to retain a \$350,000+ grant. • Advised faculty on data organization efficiencies to keep departmental timelines and milestones on target.	

Club President	Aug 2023 - May 2024
Flow Arts Club, University of Kentucky	
• Led overall administrative, operational, and organizational efforts for a recreational student organization. • Managed a financial budget exceeding \$2,000 to coordinate campus activities and maintain equipment inventory.
